Grower Champagne - Vignerons de Champagne

Small Growers, or "Récoltant-Manipulants," handcraft their limited quantities of Champagne from individual villages and parcels where the inherent qualities of the vineyards imprint themselves into the wines.

These winemakers are brave souls in an industrialized age: growing, crafting, and bottling their own Champagne, offering it to the world as their life's work. Their Champagnes speak uniquely of place, vintage and vision.

Whenever possible, we list the disgorgement date ()...A votre Santé!!

Feature Selection

Today, the Maconnais is seeing resurgence, thanks in no small part to the efforts of Dominique Lafon from Meursault. The region’s historical and cultural richness was intriguing to Dominique, and he had enjoyed visiting friends there for years. In 1999, he purchased 14 hectares of vineyards farmed biodynamically. This certified organic wine is sourced from 3 Lieux-dits with an average of 25+ years old vines. This is a clean, focused and mineral driven wine. Very pure citrus and pear expression, oak is very settle here.
